Subject: West Virginia Spill- Draft Memo

Hi all,

Please find attached a draft of the memo that Nancy would like to send to on the CWA/SDWA regulatory gaps in the context of the West Virginia Spill. She is looking to send this out as soon as possible. So, please let me know if there are any major issues. Note- a meeting is scheduled for tomorrow afternoon to discuss OGWDW's concerns.

Betsy, please note that Nancy is looking for language from OST on a human benchmarks effort that occurred last year; she thought that you might be able to fill this in. See page 3.

Also, note that the folks on the "To" line may change pending review from Mike Shapiro and he may have some other edits as well.

Thanks!

Nizanna
