Good afternoon Matt,

Thank you for the update. I will let you know once we've reviewed the updated data and if we have any follow-up questions.

You should receive our response to FOIA request # EPA-R5-2017-006203 sometime next week as well.

Sincerely,

- Sarah

Sarah-
I spoke with the client and consultant today, and we will have the updated modeling and new stack test data submitted to the EPA next week. Please let me know if you have any questions or concerns. Thank you.
