Ok thank you for letting me know. We will not be able to meet until end of next week if I reschedule - so I think we should proceed with Monday's meeting. I will send you an email recapping what we decide.

Hi Sarah,

Due to a last minute change, I'm going to be out of the office on Monday. We can reschedule, or feel free to keep the meeting. Dan S. is pretty up to speed on the modeling basics.

Randy spoke with USG's consultant and it is our understanding that USG will proceed with the CTDMPlus model. I would like to discuss what are next steps should be.
