Hi Sara,

Sorry I did not get to this until now, but we do need to adjust the GW, UIC, and LCC section (original below). My recommendation would be to do GW program discussion 1:15 - 2:00pm (Yamada, Chang, me, John U on the phone, maybe Nancy R), then do Lahaina/other UIC issues from 2:00 - 2:45pm (Yamada, Wong, Hew, me, Woo, Nancy R by phone), and then do LCCs from 3:00 - 3:45pm (Hew, WWB folks?, me, and Kate by phone). I think this will work because Stuart, Nancy, and Alec do not need to be in the LCC discussion. I hope that is workable.

Two other issues for the agenda - 1) I do not see any WWB personnel listed (Sina, Marshall Lum, April is acting chief for Dec.), 2) Ann Zane or Mike Miyahara may need to be involved in the GW, UIC, and/or LCC discussions as acting SDWB chiefs.

Lastly, it's possible that I will be doing a day trip to Maui Thursday and miss close-out, but I won't know for sure until we get closer and I determine whether it will make sense to meet with any County and/or community folks.

Thanks,
David

1:15 – 2:45 Ground Water, UIC, and LCC - DW Conference Room
S Yamada, A Wong, D Chang, N Woo, D Albright By phone: *J Ungvarsky, K Rao, N Rumrill*

Groundwater Program Discussion
- Lahaina tracer study support
- Status of LCMS purchase
- Comprehensive Groundwater Protection Program
- Update on local SWP efforts
- Areas where EPA can provide assistance

UIC Program
- Lahaina permit
- Maui WWTP permits

Large Capacity Cesspools
- Update on LCC program
- EPA enforcement
- Areas where EPA can provide assistance
