Good afternoon,

FOIA 2016-002835 (Red Wing) was closed out on Friday the 17th. FOIA 2016-006203 is near complete. John Summerhays went through his part and now some final QA/QC needs to be performed. I don't think I will have enough time to do that this week (I am only working Monday-Wednesday). This FOIA is currently due on 3/24, so I am going to send the requester a two week extension from 3/24. New due date will be April 7, thoughts?
