Hi Sara,

Stuart's changes look fine to me. I would, however, like to make a small addition to the LCC session agenda as follows -

5. Update on CWA §308 letter to Maui Co.
6. Update on CWA 401 cert for Lahaina WWRF

I'm sorry that I overlooked this before, but we want to discuss with the three BCs (SDWB, WWB, and CWB) both the 308 activities and the 401 cert.

Thanks.
David

---

Aloha Sara,

Nice job! Thanks for putting this water program schedule together. I have noted my suggestions in red. If it is okay with Corine, Barry, and Jason, I was thinking that we could commence the PWSSP discussions on Wednesday morning before joining the discussion with David Albright and his staff on EPA contractor support for the UIC program to witness LCC closures.

Stuart

Subject: Draft schedule for water program portion of May grant negotiations

A draft schedule for the water program portion of our grant negotiations is attached. Please review and send me any changes or comments by the end of this week.

Thanks, Sara
