Subject: RE: AK Steel -- final summa canister reports

Thanks, I just sent it to AK Steel.

Subject: AK Steel -- final summa canister reports

Hi Ed,

Please find the lab reports for summa canister samples collected near AK Steel on May 7th and 8th and May 23rd and 24th attached.

A final report with all data, including data collected using the mobile monitoring platform, is still forthcoming.

Let me know if you have any questions.
