Thank you again for making the time for yesterday's discussion; we very much appreciate the attention which everyone brought to the meeting. Attached are the exhibits we referenced in the meeting. (Jessica—would you please forward to others in Region 9 who were on the phone). As we work to follow up on the questions that came up in the discussion, we also will be standing by to answer any additional questions you have, and will be in touch shortly regarding next steps in our discussions. Thank you – Roger
