Re: Asbestos Hazard Emergency Response Act (AHERA) Environmental Compliance Audit Documentation Related to Corrective Action Plan

Dear Dr. Ruffin:

Following the AHERA Environmental Compliance Audit conducted at the Girls High School on May 7, 2010 the attached documents were not found at the school during the audit and have been prepared for inclusion into the AHERA environmental management plan at your school.

The following documents were prepared for the Girls High School and must be kept with the AHERA environmental management plan records:

Exhibit 3 of the Corrective Action Plan - The Response Action Reports not found at the school during the audit

Exhibit 4 of the Corrective Action Plan - The 1992 Re-inspection report not found at the school during the audit.

Asbestos Hazard Emergency Response Act (AHERA)
Compliance Audit

Principal Interview Form

The School District of Philadelphia (School District) and the U.S. Environmental Protection Agency, Region III (EPA) entered into a Self-Audit/Self Disclosure Agreement. The purpose of the agreement is to gauge the School District's compliance with the Asbestos Hazard Emergency Response Act (AHERA) requirements for your school/ facility.

The School District obtained the services of KEM Partners Incorporated to conduct the AHERA environmental compliance audit. The audit will focus on the compliance of general information, inspections, reinspections, response actions, operations and maintenance, periodic surveillance, and notifications. This document acknowledges that all environmental documents relevant to the building asbestos management plan have been made available to KEM Partners Incorporated at the time of the audit.
