Need recourse from agencies.
Doesn't matter if agencies don't "agree" - this is a health issue

- Law changes when truck crosses SF border
- Contact all agencies that might have jurisdiction, collab. w/ air board.
- Bradley: We want all agencies to sign up for I.V.A.N. alerts b/c law will not protect.
- Raymond Thompkins: Wind circulating 320° on hill where residents live.
  - We haven't seen any shutdowns.
  - Your system is not working to protect human lives.
  - Monitor station should exist atop hill, not at SF Airport!
- Resident said to Espanola Jackson: "I'm too sick (to file reports).
