Hi Ellen,

Good news!

DOT has confirmed its hiring of the Environmental Management Program Manager for the DOT Office of Environmental Compliance (OEC). The person hired is Anna Fernandez, and she starts with DOT on Monday, January 25, 2016. According to DOT, Anna has experiences in the environmental area having worked previously at the State of Hawaii, Department of Health, and the EPA in San Francisco. Anna is also an attorney.

Her office will be temporarily at the Airports in our Statewide Transportation Planning Office. DOT hopes to move her and the rest of the staff of DOT OEC to the Harbors tower on the 5th floor in a few weeks. Computer, phone lines, furniture, etc. are currently being worked on for the Harbors site. By copy of this email, I am asking Rey to provide you with her contact information once he has it.

Sincerely,
Marjorie Lau

Hi Ellen,

It was good getting to meet you last week. Hope you had a great trip out here!

We received from Connor the EPA letter on the BMP retrofit study item. We would like to let you know that DOT will be requesting an extension for the BMP Retrofit Study. My understanding is that DOT is meeting with Matt next Monday (December 21) and from that can determine the timing it will be requesting from EPA.

Additionally, my understanding from Rey is that the interviews for the compliance manager position did occur last Friday as planned and that there is an offer made at this point (no response yet).

Happy Holidays!

Sincerely,
Marjorie Lau
