Hi Sandy – Today got pretty much consumed by the Crow drinking water issue. Here are some follow-up items for you:

- Ex. 5 Deliberative Process (DP)
- VB-I70 – Ex. 6 Personal Privacy (PP) and Ex. 6 Personal Privacy (PP) continue to stir the pot. Jennifer Chergo is the POC for these 2 on their concerns with the deletion of OU1. I talked to Steve today and we agree that the publication in the FR should be after the holidays and that we should do a PR to be transparent when the NOID is available for comment. I signed the routing slip but had a question about language on pg 16 referencing the 1994 lead guidance....will there be an issue with us in the 2019 FRY pointing to the 2016 guidance? Also given Ex. 6 Personal Privacy (PP) comments, we may want to offer Doug a briefing before he signs this; although I thought the action information paper provides a good background on the site and the NOID itself is clear on the remedial actions.

FLAT TOP!

Have a great holiday with your son and his girlfriend....I hope it's quiet here for you the next 2 weeks!
