Subject: Discussion with OPRA regarding Toxic Release Inventory Late Reporters

Hi April,

I have been tasked to develop warning letters for late TRI reporters.

I have also been tasked to inquire of OPRA as to which facilities you contacted in 2016 and 2017 either if you were inquiring about non or late reporting.

If you open the attached spreadsheet you will see the worksheet labeled "2016 & or 2017 late".

Can you please inform me if you have had contact with these facilities in 2016 or 2017?

Or do you have some sort of generic list of whom was contacted during those years?

Thanks
Dan Webster
