RE: 2010 Hazardous Waste Export Report

Mr. Heiss,

Per your letter dated December 21, 2010, I am writing to notify you that Nucor Steel Seattle, Inc did not export any hazardous waste in 2010. Nucor Steel Seattle suspended export of hazardous waste on September 23, 2008 and began shipping all hazardous waste to permitted waste management facilities within the U.S. borders (currently Horsehead Corporation) starting October 8, 2008. All export shipments of K061 waste in 2008 were reported in the Annual Hazardous Waste Export Report for 2008 dated January 12, 2009.

If you have any additional questions, please, feel free to contact me by email at jeromy.adams@nucor.com or phone at 206-933-2223.

Thank you,

Jeromy Adams
