Subject: NBP2 Manuscript
Attachments: PFESA BP2 8_23_19.docx

Hi All Co-Authors,

Please see the attached file for an updated version of the NBP2 manuscript. There have been minor changes to the wording in the introduction, but the methods and results are still the same. It looks like they will require me to cite the Action Plan, but that it isn't worth holding up the review process, so no big deal. I just wanted to make sure this was required in writing.

Feel free to contact me with any concerns or updates to the manuscript. I am planning on resubmitting to Drew on Monday.

Thanks,
Johnsie
