---

Alexis,
The Hawaii negotiations went exceptionally well this time. One of the highlights was Alec will work with us on what the Lahaina 401 cert should include and why with a target time frame for issuance by the end of this year. This is a far cry from the absolute **no** we got in December 2009.

Non-Responsive [redacted]

Attached is our preliminary next steps/follow up action items list from this week.

ACTION ITEMS FROM HAWAII GRANT NEGOTIATIONS 051310 draft.docx

We can talk more at an upcoming update.

thanks,
nw
