Subject: discuss data that will go into nafion bp2 dose-response paper
Location: B156

Start: 6/20/2019 6:30:00 PM
End: 6/20/2019 7:00:00 PM
Show Time As: Tentative

I will have a student who can assemble the data into a form that will allow for dose response modeling and id of points of departure. I thought it would be a good idea to get this going now as it looks like we might have some competition.
