That's consistent with what I found when I searched for myself. Nothing responsive.

Hello,

We received the workspace this morning. I Elly – I left you a voicemail - and Sheila, I see no responsive records, but I asked for access in case you'd like to look for yourselves. I searched the "from" box for "Hale" and got zero results. I search "Inslee" in the main search box and only got attachments, no emails from Elly, which was the extent of the search. I also gave our Superfund Records Center staff access just as an extra check on the search.

Looks to me like we can close this FOIA. Lara, will you please circulate the letter? And it is Awareness Notification – can we close before we have to extend? What's our due date?

Thank you.
-Jennifer
