I don't thinks so. I think he just wants to take a few pictures and ask me some questions. However, I'd like someone to come along who can safely navigate the site. That would definitely not be me.

Jon,

Do they want someone from IES or Ashland there when they do this?

John

Ok, while talking about trips to the Site, a Star Ledger Reporter wants to do a drive through. Is anyone left who can do that? I will be accompanying him. No rush on this…

Jon,

I will be in the area on Tuesday the 24th and will take a look and then John or I will let you know if we have any concerns.

Thanks,

Carrie

John, Carrie Praxair is done with the interim pipeline. I checked it out today, and it looks fine as far as access/egress for is concerned. I thought you might want to take a look before I sign off on anything.

Oh, I asked them to leave the hay bales that they placed near the SBC. If you want them removed, I'll let them know.
