John, Carrie: Natalie Loney, the site's community relations coordinator, will be in contact with you about placing a public notice in a local paper (I think it's the Source) and hiring a stenographer.

Also, if it's ok with you, I'll do the entire presentation (20 minutes) - Cornerstone and B&C should be there to provide technical support. However, if you want Gary to do a portion of the presentation, that's fine we can coordinate.

Jon

Ps, Carrie, we're doing a pretty large mailing, but I suspect a very small turnout. What do you think?
