I got some from DEP and the Edison Wetlands group as well. Nothing surprising or new.

I would assume that these were not the only comments?

John, thanks, I'll address them in the responsiveness summary.

Things are surprisingly quite right now, which is good as I can finish the draft ROD and respond to the comments. The extended comment period ends tomorrow, I don't expect I'll be getting any more, but who knows?

Hi Jon,

Hope things getting back to normal for you.

Attached are IES's comments in the PRAP.

Thanks
John
