Subject: Today's Call - Lowerline NOLA

Good afternoon and thanks for participating in today's call pertaining to the Lowerline Street Ra226 cleanup.

Greg Fife (OSC) started the call at 1300 stating set-up of the work area would begin on Tuesday May 28 (Monday is Memorial Day). Should take about one week of excavation, depending on the weather. **Cleanup level is 5 pCi/gram**

Scott Faller mentioned he can be onsite on Monday June 10. The "scanner buggy" will be used to walk the site and possible adjacent blocks at the end of the project. Scott will send photos of "scanner buggy" to Greg & I.

Additional information regarding hotel will follow

Call ended at 1330. Let me know if folks need additional information.
