Subject: Re: Chlorpyrifos Tweet by USDA

We are going to share our statement on what we did and why to more agricultural press this am.

Alexandra Dapolito Dunn, Esq.
Assistant Administrator
Office of Chemical Safety & Pollution Prevention
U.S. Environmental Protection Agency
Washington, DC

Sec. Sonny Perdue

@SecretarySonny

For more than 50 crops, chlorpyrifos is the only line of defense and a cost-effective crop protection tool for farmers. We appreciate the @EPA's support of American farmers and producers in its commitment to fact-based regulatory oversight of crop protection tools.
