Hey Kris,

Attached is the revised version of Kailua. I've updated it based on Elizabeth's March 6th comments, and recent changes to Sand Island. I have one remaining issue (Elizabeth's comment No. 4). I don't understand what we did for Appendix 1, some parameters seem to be missing. I'll have to look into this, but will forward a revised version once I figure that out.

Mark has indicated that you all have approval to apply compliance schedules now. Regarding nutrients, how would you like to proceed? I'm available to discuss all week.

Thank you,

Dan Connally
