0003

Add Row

Reason for Termination

GA 310-L Platform removed, site has been cleared

## Certification Information

Redacted

Form Action *

Reject

Redacted again going forward. Since this call to the LDAP is not made when the form is rendered but instead when the task is created the task in question will need to be rejected back to the preparer and then rerouted to him so the correct organizations can be added again in the new task.
