Dear Ms. Ferrara and Mr. Scott Rosmarin,

I hope that you both also had a happy Thanksgiving. This email communication is in response to your Nov. 24, 2017 email communication inquiring whether EPA's counsel concurs on the Respondents' request for a 30-day extension of time to file an Answer to the Complaint in this matter to allow the parties time to draft and execute a CA/FO to resolve this matter.

Please be advised that I am not able to confer with my program clients today, as some of them are on leave for the holiday this week. However, I will confer with them at my earliest opportunity and will advise you as to EPA's concurrence on Respondents' extension request. Thank you.

Sincerely,

Melva J. Hayden
