Re: Arada Ltd. Model Farringdon 12 Wood Stove

Dear Mr. Sanchez,

PFS Corporation has completed our review of the Dirigo Laboratories Inc, Inc. test report, dated January 13, 2016, covering the testing of the Arada Ltd Model Farringdon12 wood-burning stove. As an accredited organization under ISO 17065 for product certification and ISO 17020 for inspections, PFS certifies conformity of this wood-burning stove test report with the U.S. Environmental Protection Agency.

PFS Corporation has been contracted by Arada Ltd. for the certification services required by 60.533 (f)(i). We are submitting this report package on behalf of Arada Ltd. Weycroft Ave. Axminster, Devon EX13 5HU United Kingdom.

Please note: The CBI report package is being sent to the address noted in 60.533(b)(4)

Best Regards,

Wayne R Terpstra
Director of Hearth Products and Quality
