Update:
Since you all have closed out your task already, you no longer have access to this FOIA. If you can forward me your emails referenced below, I will upload them to FOIAonline.

This is what I need from you:

1. Any concurrence emails you may have from the subject matter expert. (you may have already tasked them directly and they uploaded their responsive records) If this is the case, no additional email is necessary
2. Any concurrences you have from the managers of the SMEs
3. Any concurrences you have from ORCs SME attorney
4. Lastly, any concurrences you have from Bob Hartman.

This is the order of concurrences that are needed. Thanks much.

Hello all,
In reviewing this FOIA, it is not clear whether or not your managers concurred or not? If you have any emails from them letting you know they concurred and didn't upload that to FOIAonline, can you please go in and do that as soon as possible please? Also, if ORC needed to review your documents, please make sure they were tasked and have reviewed and concurred as well. Thanks much.

Sincerely,
Denise Ripley
