Final Data Gap Well Installation and Soil Sampling Report, Non-CERCLA Site OT071, Former George Air Force Base, Victorville, San Bernardino County

The California Regional Water Quality Control Board, Lahontan Region (Water Board) staff received the *Final Data Gap Well Installation and Soil Sampling Report, Non-CERCLA Site OT071, Former George Air Force Base* (Report) on September 27, 2017 and this letter documents that the Water Board accepts the Final Report.

In an email you sent to the Water Board on September 28, 2017, you requested Water Board staff review of the Final Report by October 30, 2017. Water Board staff sent an email to you on October 23, 2017 notifying you that we accepted the Final Report. At your request, we are documenting our acceptance of the final document in this letter.

If you would like to discuss the Report or our acceptance of it, please contact me at (760) 241-7340, (Todd.Battey@waterboards.ca.gov) or Bill Muir at (760) 241-7340, (William.Muir@waterboards.ca.gov).

Todd Battey PG
Engineering Geologist
