Subject: RE: Spreadsheet comparing EPA and WA criteria

Thanks. I would say Deliberative Process / Ex. 5
We are already on a path to update all the metals criteria with the possible exception of chromium, over the next hopefully 5 –ish years, so the petition has no effect on that.

Deliberative Process / Ex. 5

I've been coming in and out of the conversation as time allows, so perhaps need to catch up. (I can have a sidebar with Jim to catch up to your conversations.)
