Andy:

It has been a long time since we have been in touch. Hope all is well at your end.

Way back in early June I sent FWS a BE on MD WQS TR. Since we received no response, is EPA to assume that FWS has no concerns? Likewise, I have seen nothing from FWS regarding the CBPO TMDL, the EPA BE on that TMDL nor the NMFS BO on the that TMDL. Did FWS comment on any of those documents? EPA would appreciate any and all comment that FWS produced regard those documents. If no comments were produced, we would like to hear that. Hope to hear from you soon.
