Hi,

I've attached a powerpoint presentation that I plan to use to brief OEM managers in mid-March.

We have a workgroup call on Wednesday and I hope to discuss these issues so that I can give my management a sense of what the workgroup recommends. I wanted to get your input on this powerpoint before I send to the workgroup (if I do) - due to the sensitivity of OAR's NAEMS and OSWER's use of [redacted].
