Workgroup Poll – Expedited Milestone or Waiver Request

This form should be submitted to the workgroup chair by each workgroup member. Once returned, the lead program should submit all response documents and one summary document with all responses to the Regulatory Management Division director and the lead program Regulatory Steering Committee Representative and upload them in ADP Tracker.

Background

Title: Oil and Natural Gas Sector: Emission Standards for New, Reconstructed and Modified Sources Reconsideration

SAN: 5719.8	**Request:** Expedite	**Milestone:** Final Agency Review	**Stage:** Final

Rationale: The EPA is working on an expedited schedule to finalize the rule titled, "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources Reconsideration", Tier 2, 5719.8. This action is a reconsideration of subpart OOOOa and will finalize amendments on specific topics which EPA has granted reconsideration on, streamline implementation, and improve cost-effectiveness of compliance. Due to the accelerated schedule of this rulemaking, we are requesting a 10 day FAR review.

Response

Name: John Mooney

Office or Region: Region 5

Agree ○ **Disagree** ◉

If disagree, describe concerns:

Region 5 would prefer 15 days over 10 days, since the time will be used to review the nearly 700 pages of materials in the package and provide meaningful comments to be approved by Regional Senior Leaders.
