AGENDA:

- Tracking Q&As ... was in Quickr ... then in MAX.gov ... now in a Word document?
  Let's discuss – the 'raison d'etre' (yer akshul French) of this workgroup is to improve consistency of responses across the agency and increase efficiency by avoiding duplicative efforts.

  See attached Word document started by Bruce Moore with filename: OOOOOOOOa_Snapshot of Oil & Gas FAQ 11-10-16.docx. This is on One Drive – so just use the save icon in top left corner when you add something or send to Beeler and she'll update doc.

  I have added a couple more Q&As –

  From Topinka (under Notification, Reporting and Recordkeeping):
  Q: This email is in reference to the NSPS OOOOa reporting requirements. Has EPA Region 5 accepted delegated authority for OOOOa? If so, are you accepting the OOOOa reports with the Title V Annual Compliance Certifications?

  From Ostrand (under Notification, Reporting and Recordkeeping):
  Q: I couldn't find a due date for Subpart OOOOa semi-annual reports for onshore natural gas processing plants. While the regulation stipulates semi-annual reporting, I don't see whether the report is due within 30 days of

the end of the period or some other timeframe. Can you please clarify this?

From Ostrand (under Equipment Leaks at Natural Gas Processing Plants)
Q: Onshore natural gas processing plants subject to Subpart OOOOa require Method 21 monitoring (cross-referenced with Subpart VVa). Are operators allowed to use Method 21 annually (i.e. once per year) and use OGI cameras to conduct their inspections the other 11 months as an alternative means of compliance with the regulation?
