Laurie – I just took a peek at the various questions that have come in that Karen Marsh wanted to discuss. Some do with reconstruction costs and all with LDAR. Any chance you could participate in this call?

All,

I'm scheduling time for us to discuss various questions that have come in and I've let slip given other priorities. Hopefully we can get responses back to these folks quickly after a discussion. See attached. Scheduling out a bit so folks have time to take a look. Some of these go back several months.

Call-in is (919) 541-1592
