I'm also including a PDF of his mark-up so you can see which new/different text he offers (see slides 6, 8,9, and 12). He said he's happy to speak to you all about this if more discussion is needed.

Hi Maryann/all,

For your consideration, please see a markup of the briefing you attached that fully illustrates Matt's/PARM's original comments. I have highlighted the suggested additions in red font--and strikeouts in red italics and underlined. See the comments on pages 6,7,8,9 and 12.

Please let me know if you are all ok with these. Additionally, one comment on page 8 asks for a clarification.

Thanks!
