Subject: RE: OOOOa Reporting

Hi Dan (and Marcia!),

Technically, for compliance purposes, we don't consider the form available in CEDRI because it's not final. But the draft was made available in October 2017. As Marcia mentioned, our intent is to finalize the template with the amendments Ex. 5 Deliberative Process (DP) at which point we will consider it "available in CEDRI" and required.

Hi Gerri, Can you answer Dan's question?

Dan, note it is not the final template, so not yet required to be used. We will finalize the template with the final amended rule, Ex. 5 Deliberative Process (DP)
