Re: NOTICE OF REFUSAL OF ADMISSION
Entry Number M34-10254478

Dear Mr. Yagnesak:

In connection with the enforcement of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA, or the Act) as amended, 7 U.S.C. § 136 et al. the U.S. Environmental Protection Agency has examined samples or other evidence with respect to following shipment:

Entry Number: M34-10254478
Product Name: Global Plasma Solutions GPS-FC24-AC and GPS-DM48-AC
Shipper/Manufacturer: Ningbo City Haichuang Enviro Tec Company
Consignee: Global Plasma Solutions Inc.
Date of Importation: May 21, 2021
Port of Entry: Port of Atlanta, Georgia

It appears that the product is not in compliance with the Act and is subject to refusal of admission due to the following violation(s):

- FIFRA 12(a)(1)(F) To sell or distribute a pesticide device that is misbranded. Specifically, the device is not labelled in accordance with FIFRA Section 2(q)(1) in that the label and website include false or misleading claims.

The Agency hereby notifies you that your merchandise has been refused admission. You must export this merchandise, under supervision of the U.S. Customs and Border Protection (CBP), within ninety (90) calendar days from the date of this Notice (or within such time as otherwise specified by the EPA) or within such additional time as the District Director of CBP specifies. Failure to do so may result in either the destruction of the merchandise as authorized by the Act, or, if the shipment has been released to you under bond, in any action necessary to enforce the terms of said bond.

Pursuant to FIFRA Section 17(c), 7 U.S.C. § 136o(c) and 19 CFR § 12.117, you are afforded the opportunity to offer such explanation as you wish for the Agency's consideration within twenty (20) days from the date of this Notice. You should file your response signed by you or an authorized representative of your company and indicate in your response if you wish to present your views verbally so that we may set a date for such presentation to be held in this office or via teleconference.
