Hi Renee,

I have revised the PFAS paper you have seen in the past. It is a long paper but should serve as a single source for most needs related to these sites. My plan is to highlight new material and replace the map each time we revise the paper.

If you want something different please let me know.

Thanks,
Steve

Renee,

Steve Hirsh from HSCD will be sending you the PFC paper. It is being finalized right now.
Rick
