Subject:	Priority Notification 84-TUL-17: Fumigant Fire Caused $1.6 Million in Pistachio Nut Loss
Date:	Monday, November 27, 2017 4:35:30 PM
Attachments:	Priority Notification 84-TUL-17.pdf

On Monday, November 27, 2017, at approximately 4:00 am, the Tulare County Fire Department responded to a fire at Aro Pistachio's located in Terra Bella, CA. A rain storm following the application of fumigants to pistachios bins may have ignited the fumigants. The fire burned 350 plastic bins containing 280 tons of pistachios with an estimated loss of $1.6 million dollars.
