Davon,

Will you and Gary be attending in person tomorrow? Will your contractor? Most people replied that they were going to call in and I'm trying to get an accurate head count.

Thanks, Lauren – Is it correct that if the technical webinar is rescheduled for October 28th or 29th, the in-person meeting will remain on the 30th?

Best,

-Davon

Thanks for reaching out, Davon. Yes, its good to be back, but there is a lot to catch up on. I'll get in touch with Pam today to see if we are still on track to have the meeting on Oct 30 and find another time for the technical discussion.

Hi, Lauren

Welcome back! I would have called, but I imagine you are digging out from under a pile of business. When you have a moment, could you let me know your thoughts as to the timing for the Lower Ley Creek meeting scheduled for October 30th, as well as the technical webinar (originally scheduled for today, the 17th)? Given the number of parties who need to attend the in-person meeting, in particular, if we need to reschedule, I'd like to discuss timing with all the parties as soon as possible.

Thanks much,

-Davon
