Attachments: Lane Plating_SAP Addendum 21Oct19.pdf

I forgot to include DSHS when I sent this out Monday. I'm asking for comments by Nov 15 if you have any.

The SAP is attached. It is only 37 pages, so please send comments by Nov 15. Remember that this will probably be our last sampling event so we want to make sure we have everything we need to complete the RI and both risk assessments.
