Subject: HYSPLIT plume forecast 6 AM Monday 12/02/19

Here is the link to the latest HYSPLIT plume forecast, issued at 6 AM Monday 12/02/2019.

http://www.hysplit-pub.noaa.gov/hysplitpublic-bin/hyresults.pl?jobidno=23127

Northwest winds early this morning will gradually shift to a more due north direction through the day, with the plume taking on an increasingly due south orientation by this evening.
