Marelyn,

Can you update the fact sheet in draftnh0001465permit.pdf in Q:\Groups\PUBLIC NOTICEs\Draft Permits\NH\CY14\NH0001465 - Merrimack Station ? I've updated the three links on the Merrimack Station index page to link to that pdf instead of three separate ones.

Jun,

Sorry for the many emails but did you want me to re-submit the fact sheet thru Sandy for web posting request/order or are you going to fix/add the original one that was sent? Also files AR1114 through 1137 are all set. Let me know, if you have any further questions. Thanks.

Hi Marelyn,

A correction was made to the Revised Draft Permit Fact Sheet (attached). This should replace the one currently on the test site. Also, I've added documents AR1134 – 1137, if you could add metadata and let Jun know.

Jun,

Thanks for the test site. If it isn't a problem, we would like to make some edits to the language in the box at the top of the webpage (to be sent separately) and need to replace the Fact Sheet, as I indicated to Marelyn. In addition, at the bottom of the page could you add "2011" in front of "Draft Permit (PDF)" and in front of "Fact Sheet (PDF)"? Furthermore, below these, could you add "for the 2011 Draft Permit" at the end of "Comments Received During the Public Notice Period"?

Thanks.
