Hey All!

Good seeing everyone, just wanted to make sure I dotted this "i" before it got lost in the shuffle.

I am just forwarding that last email I sent out today with a short personal note at the beginning of it, making the case for this particular organization or company to participate.

I have done AF&PA, Ford, SWANA, GPI and Steel. Randy heard from Carton Council that they are on it.

Below are the other assignments, if you can get them out ASAP (ideally by tomorrow), it'd be greatly appreciated. Let me know if I captured anything wrong or if you'd like to kick others to me or someone else on the team.

Thanks!
