All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

TRUCK No. 157 DRIVER PIERRE

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

CARRIER MIT

TRUCK No. 157 DRIVER PEDRO

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.

TRUCK No. 160 DRIVER CARTER

All material prices are quoted based on curb side delivery. Customer/Contractor agrees to provide a suitable roadway from public highway to the place where product is to be unloaded. Customer agrees to be responsible for all damage or back charges if clear access beyond the curb line is not provided. Any fill to be transported off site must be clear of all contaminates that would otherwise cause it to be hazardous or special waste, unless manifested as such. Customer/Contractor, when loading spoil out, will be responsible for any overweight fines, any additional charges, or removal costs incurred when dumping at Customer/Contractor authorized dumps.
