Importance: High

This is TPC's contractor (CTEH)'s water sample results.
The table provided before was TPC's contractor (EAS)'s water sample data.
EPA has sent our data also.

We need a quick turn if possible to determine if trending information is consistent and water sample efforts can be considered for reduction.

Very much appreciate the help.
Adam

Attached is the water data summary from CTEH. It covers 11/27 to 12/7. My apologies, I thought this had been distributed previously!
