I don't recall any of us approving this morning. It was published seconds after we received email.

Adam – see the revised. This was the language where we referred to Unified command to consist of TPC, TCEQ and Jefferson County, to make it more clear.

Please review and approve.

Thanks,

Haley,
Two concerns.
1. Unified Command was stood down. TPC incident command with TCEQ oversight.
2. Second paragraph doesn't work.
EPA transitioned the emergency response with federal oversight to long term remediation and consequence management with oversight by TCEQ.
