Thank you everyone for your comments so far. I've attached Region 9's comments on the draft. I will send this version to HQ at the end of the day unless anyone has anything else to add. We may need to have a call with HQ to go over the comments since there are a lot.

I have put my edits on top of the pesticide team. I spoke to Brittany today. I told her that many of the remedies proposed came out of left field for me. I asked where did they get these ideas and she said that she has a new person providing technical support. I said that I was under the impression that were going to go forward with a more general discussion. I told her that I believed that the document provided us was very flawed and looked like we did not understand HI government or how pesticides are regulated. That being said, I told her that Desean will send the comments back but we can't go forward with this document.

Richard/Deldi – Please provide comments particularly on the civil rights program piece. I have no experience with this.

Desean – When you send our comments back, please indicate the document is too flawed to use to begin discussions and we recommend we start with the broader framework document we prepared. Also mention we need to coordinate our water related remedies with DOH (I spoke to Brittany about this).

Hi All,
Patti, Katy and I met yesterday to go over the attached document. We made quite a few edits, and would be happy to discuss before final comments are sent back to HQ.
Thanks,
Mary

Ok sounds good. Amy is back from her detail, so we can include her too. I will still most likely be the lead as she transitions back.

Hi Brittany,

There's four issues in the draft framework that Region 9 needs to tackle before we send you a finalized copy. Not sure if we can get it done before the end of the day tomorrow since I am still waiting to hear back from folks. I will give you an estimated timeline for completion soon. Hopefully before Thanksgiving.

I spoke with Desean yesterday and based on our conversation I propose the following schedule for the drafting of the Hawaii informal resolution and follow up call with HDOA and ADC.

- ECRCO and Region 9 finalize draft informal resolution and will share combined document with management for review no later than 11/17
- ECRCO will share updated draft with CRFLO no later than 11/21
- ECRCO will reconcile CRFLO edits/comments and share with Hawaii agencies no later than 11/30
- ECRCO call with Hawaii agencies will be scheduled between 12/6- 12/8

I plan to send an email to the agencies this week to give them a heads up about scheduling the call. Please let me know if you have any questions or concerns.
