Subject: Title 6 acceptance letter for HDOA complaint

Dear Lilian and Brittany:

Thank you for the opportunity to comment on the acceptance letter for the Earthjustice complaint concerning Hawaii Department of Agriculture (HDOA). Can we set up a call to discuss the letter in detail. In the attached letters we have made some minor edits and have highlighted areas to discuss over the phone.

As we move ahead with this case, we look forward to coordinating with your office and USDA, in resolving this complaint. This is the first complaint involving our office since finalization of the Case Resolution Manual, which includes the Case Management Protocol (Order 4701) and the Strategic Case Management Plan in Chapter 8 of the manual. We look forward to developing a case management plan that addresses the inter-office and interagency coordination.

Please let us know when would be a good time to discuss this letter.
